

## Environmental Policy Statement

The company is a professional and environmentally conscious organisation, which acknowledges the impact that our operations may potentially have on the environment. The clear objective of Vigilant Facilities Limited is to minimize any impact on the environment by:

- Preventing pollution, reducing waste and ensuring, wherever practicable, that measures are implemented to protect and preserve natural habitats, flora and fauna
- Considering the effects that our operations may have on the local community
- Taking action to eliminate or reduce, as far as practicable, any potentially adverse environmental impacts
- Promoting environmental awareness amongst our suppliers, contractors and partners by implementation of operational procedures
- Seeking to work in partnership with the community by behaving in a considerate and socially responsible manner
- Ensuring effective and expedient incident control, investigation and reporting.

The policy outlines the responsibilities of managerial and supervisory staff in implementing environmental policies, ensuring they consider environmental issues in planning and supervision. The company will comply with legislation and Approved Guidance, and aim to achieve ISO14001 compliance. Employees and sub-contractors are expected to cooperate and assist in implementing the policy, identifying potential hazards and implementing preventive measures. The directors have overall responsibility for environmental matters, and the policy will be regularly monitored and reviewed. The board of directors supports its implementation.
